

How it Works

Sign Up for Smart911
and create a secure Safety Profile for your household

If you ever call 911
the call taker can see the emergency information you want them to see

Emergency Responders
can then use this key information to help you faster and more efficiently

Security and Privacy

You Decide What to Include

Provide as much or as little information as you want. Smart911 only asks for information that is relevant to aid emergency response.

Only Seen If You Call 911

Your information is only available to 911 call takers and first responders if you have an emergency.

Industry Leading Security

Your information is housed in top-tier secure facilities complete with 24/7 physical security, video surveillance and alarms. We utilize the same SSL certificate authority and encryption technologies used by leading financial institutions.

99%

of Smart911 users would recommend Smart911 as an essential tool for personal safety

11 minutes

The amount of time saved by Smart911 in response to a house fire in Michigan, saving a homeowners life.

31.1 million

The number of residents protected by Smart911 nationwide.

Emergency Contacts
Include family members, friends, or neighbors who should be contacted in the event of an emergency.

Family
Include all members of your household, including their photos. You can also add all landlines and mobile numbers and who they belong to.

Medical Information
EMS can be aware of medical conditions, medications, and if special equipment will be needed in an emergency.

Animals
Add your pets, service animals, and livestock, including their names and vet information so responders are aware of them if they need to enter your home.

Vehicles
Add details such as make, model, and license plate number in the event of an accident.

Address Details
Let responders know how to access your home, bedrooms, utility shut offs, and if you live in a multi-unit building.
